

Policy on Good Till Cancelled and Good till Triggered orders

Good-Till-Triggered Order

The validity of Good Till Triggered (GTT) is one year from the placement date. After one year, the GTT will be automatically cancelled.

Good-Till-Cancelled (GTC) Order

A GTC (Good Till Cancelled) order is a type of order in the system that stays active until it is executed or until 90 calendar days have passed since its entry, whichever comes first. It is as an open order and can be cancelled by a Coimbatore Capital Limited at any time. At present CCap is not providing the GTC order to the clients.
